Principal's Message

From Mr. Vizzo & Mrs. Tucker

WELCOME BACK! We hope you enjoyed a safe and restful break.

Over the next several weeks we will be sharing information about attendance and the impact absences can have on a student's education. Be on the lookout on our social media page to learn about our attendance policy and how our school staff can help students and families improve attendance. Regular attendance is crucial for your child's academic success and helps them build a sense of responsibility and belonging. Let's partner together and establish consistent attendance for all of our students.

There was a misprint on our lunch menu for January 12th. The menu shows lunch options for that day however, we do not have school on Friday, January 12th due to Professional Development Day.
