Dismissal- Car Loop

New Procedures: When your student is called to come out the the loop, they will be directed to wait at a specific colored cone. Please pull up to the cone so that we can efficiently load multiple cars at one time. For safety reasons, it is extremely important that your child load your car on the *passenger side*. We appreciate your patience as we work through our new system for dismissal. Thank you!

Leader in Me: Habit 6- Synergize

To synergize is when two or more people work together to create a better solution than either would have thought of alone. It's not your way or my way, but a better way. Talk about the equation: $1 + 1 = 3$ (or more). How is that possible? 1 person + another person = 2 ideas + many more than either of them would have thought of alone. Synergy is taking good ideas and making them better by working together.

Monthly Habits at Home:

Your child will be bringing home a Habit game board filled with conversations and activities to do this month related to the Leader in Me Habits. Once completed, your child can bring the board back to school and be entered into a monthly raffle! March's raffle will take place at the end of the month.
