Leader in Me: Habit 7- Sharpen the Saw

Habit 7 is the habit of taking care of your body by eating right, exercising, and getting the right amount of sleep. It's the habit of spending time with family and friends; to learn in lots of ways and lots of places, not just at school. The habit is about taking the time to find meaningful ways to help others.

Monthly Habits at Home:

Your child will be bringing home a Habit game board filled with conversations and activities to do this month related to the Leader in Me Habits. Once completed, your child can bring the board back to school and be entered into a monthly raffle! April's raffle will take place at the end of the month.
