## Counselor's Corner with Mrs Shaniuk

Happy Spring! As part of our Leader In Me program, we like our students to practice their Leader In Me habits while at home as well as at school and in the community. Every student will be sent home for Spring Break with a yellow colored BINGO sheet that they can engage with over break with their family. Students can submit their completed BINGO sheets after break until April 5th. At our April Leader in Me assembly, students who have completed their BINGO will be entered into a drawing to win a prize. Thank you for supporting these great skills and habits at home!
