Counselor’s Corner with Mrs Shaniuk

During March, we focus on Habit 6, Synergize. Synergize means that we work well with others and work well in groups. Synergizing means we value the strengths of others and allow myself to learn from them. Lastly, to synergize means to work as a team to get more done and come up with better solutions that we could do by ourselves.

Thursday, April 4th at 6pm
