Parkview Elementary Family Newsletter

Principal's Message

Dear Parkview Families,
I hope everyone had a happy and relaxing holiday season! We are looking forward to getting back up and running for the second half of the school year. Please continue to watch for updates for events in January through our text blasts and newsletter. Stay warm!

Sincerely,
Mr. Furlong, Principal

January Newsletter

Over the next several weeks we will be sharing information about attendance and the impact absences can have on a student's education. Be on the lookout on our social media pages to learn about our attendance policy and how our school staff can help students and families improve attendance. Regular attendance is crucial for your child's academic success and helps them build a sense of responsibility and belonging. Let's partner together and establish consistent attendance for all of our students.

About School Closings

As soon as a decision is made about school closings or delays, the information will appear almost immediately on the district website, www.woostercityschools.org.

Additionally, local television and radio stations will broadcast any school delays and cancellations, and the school district will call/text parents using the district's emergency and parent notification system.

Cold Weather Recess: As the winter months approach, please dress your child to go outside for recess. We will go outside unless the temperature is under 20 degrees. Send snow pants and boots as well if your child wants to play in the snow. **PLEASE**

LABEL ALL COATS

***Please send a change of clothes in case they get wet

In January & February, Parkview will be starting another community service project by collecting pull tabs for our Ronald McDonald House. Start collecting now! Let's see how many containers, bags or boxes we can fill!

During morning announcements, student's birthdays are announced. If you would like to send in a birthday treat for your child, please send treats that are store bought, pre packaged. We will have some food allergy students. Please check with your teacher regarding any allergies & call the office for the classroom student count. We will started celebrating August birthdays August 16th. We do celebrate ½ birthdays for students' birthdays that are in the summer months (i.e June birthdays will be announced in December, July birthdays in January, etc.).

Our fourth grade Library Honorees for the month of January are: Lexi and Logan. They read 1,000 minutes or more over the summer for the 1,000 Minute Reading Club. Great job!
