## Parkview Elementary Family Newsletter

### Principal's Message

Dear Parkview Families,

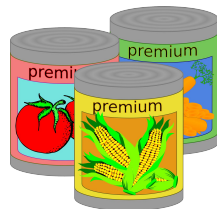

I can't believe October is coming to a close already! I would like to say thank you to our PTO and everyone that helped make our Fall Festival a huge success! Looking ahead to November, we have several other exciting and important dates to keep on your calendars! Please see the list for the following dates and activities.

- Right to Read week
- Book fair
- Parent/teacher conferences
- 4th grade music concert

Thank you,

Sincerely,

Mr. Furlong, Principal

**February 20-** PTO Meeting @ 4:30

**February 21-** Domino's Day **CODE DN6**

**February 26 & 28-** Parent/Teacher Conferences

## Fall Parent Teacher Conferences - IN PERSON

An essential part of a sound educational program is communication between home and school. The exchanging of ideas and sharing of information helps improve the education of our students.

**Parent-Teacher conferences will be held Monday and Thursday, November 6th & 9th from 4:30-7:30 p.m, at Parkview Elementary.**

Conferences are scheduled in fifteen-minute segments. If your child works with an Intervention Specialist, that teacher may try to schedule a block before or after the homeroom teacher. This will be a time to discuss areas of mutual concern and for the teacher to show students' progress toward grade level indicators and goals.

### Why are Parent-Teacher Conferences so important?

A conference provides an opportunity for you and your child's teacher to become acquainted, to discuss your child's progress, to share information about your child, to plan together for the further growth of your child, and to discuss the school program. Students are also encouraged to be in attendance. The following tips will help make your conference a success:

1. Make a list of questions before the conference.
2. Use the conference to exchange information about your child.
3. Ask for a clearer explanation of any terms, forms, or ideas you do not understand.
4. Share information about your child that may help the teacher.
5. Seek information about your child's social, emotional, and physical progress at school.
6. At the end of the conference, make plans for what you and the school can do to help further your child's progress.

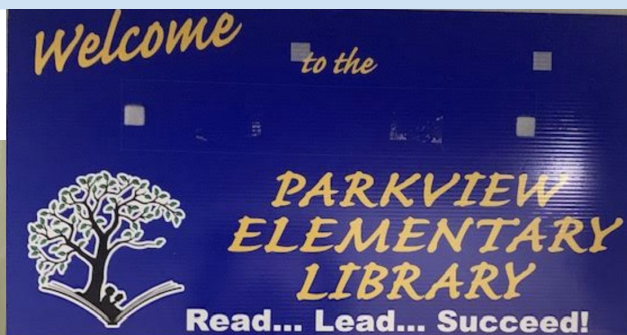

Communication is a key in having a successful educational experience for your child. We look forward to this opportunity to meet with you.

## Music Concert

The 4th grade Music concert will be November 13th The theme is Veterans Day at the Wooster High School PAC. They will start at 7pm. Please have your child at the lunch room at 6:45 pm

**Our fourth grade Library Honorees for the month of November are: Katie B. and Nora H. They read 1,000 minutes or more over the summer for the 1,00 minute reading Club. Great job!**

## About School Closings

As soon as a decision is made about school closings or delays, the information will appear almost immediately on the district website, [www.woostercityschools.org](http://www.woostercityschools.org). Additionally, local television and radio stations will broadcast any school delays and cancellations, and the school district will call/text parents using the district's emergency and parent notification system.

## Winter Temperatures

As the cold weather approaches, Parkview students will continue to go outside for recess, including when it is snowing. Please remind students to be prepared for the winter weather by wearing warm coats, hats, gloves, and boots to school. A few students continue to come to school unprepared to go outside. Students are more alert and make greater gains in learning after the exercise and fresh air which outside recess affords them. Thank you for your help to make sure they are properly dressed and prepared for outdoor weather!

### **Please label coats, etc.**

As noted in the Parkview Handbook, please do not send your student to school with toys, cards, electronics, etc.
