Dear Parents, Guardians and Graduating Seniors:

High school graduation is considered one of the great milestones in life, and Sunday, June 2, will soon be here. This packet contains important dates and information about the last semester for our seniors and their families leading up to the big day. As the second semester is nearing its end, we will continue to communicate all of the events that are taking place and post them events on our website, social media and calendar.

As our seniors finish up their last semester, they are reminded to sustain academic achievement in the classroom, maintain timely attendance and conduct themselves in a positive manner. Being a participant in commencement is a privilege that is extended to our seniors who are in good standing by:

- **Completing all 21 required credits of coursework as dictated by the Wooster City Schools Board of Education and the Ohio Department of Education.**
- **Meeting one of the three Graduation Pathways as required by the Ohio Department of Education.**
- **Maintaining high levels of attendance and behavior.**

The staff and administration wish to see all seniors walk across the graduation stage and receive their diploma, as this is a wonderful accomplishment for every high school student. We look forward to congratulating our graduates on that day.

Best wishes for a **GREAT** final semester at Wooster High School!

Sincerely,

Tyler Keener
Principal
