*\*Either a phone call or written statement is needed.*

Students arriving late or leaving early from school will have hours counted towards total hours of school missed.

*Students who have exceeded the allowable hours of absence will be referred to the Absence Intervention Plan process, as mandated by Ohio Revised Code. Students who do not meet the expectations of the Absence Intervention Plan may be referred to juvenile court.*

## D. Planned Absences

Absences due to unusual circumstances will include absences of a responsible nature such as structured educational experiences, vocational planning, visitation to college campus, registration, testing, and college interviews for seniors, but will not include absence for recreation or convenience purposes, etc., such as hunting, shopping, sporting events.

## E. Vacation Request and Procedure

Consideration will be given to those families, who because of unavoidable circumstances, must take their vacation during the school year. Prearranged, approved vacations will not exceed a total of five (5) school days during the school year.

The vacation days may be granted under the following conditions:

- A. The student has continually demonstrated a good attendance record.
- B. The days missed by a student will not be detrimental to their academic standing in their current courses or educational program. The final three (3) days and/or the beginning three (3) days of a semester will not be approved for vacation.
- C. At least one (1) parent/guardian will be accompanying the student during the vacation, unless extenuating circumstances deemed appropriate by the principal.
- D. Any vacation days must be approved at least two (2) weeks in advance of the beginning date of the vacation.
- E. Students must make up work missed according to a schedule of one (1) day per each vacation day granted.
- F. Failure on the part of the student to make up work will result in a grade of zero (0) for the work missed.
- G. Days missed in excess of the prearranged vacation will be unexcused.
- H. Vacation days will not be granted (marked unexcused) during state mandated tests or during school calamity makeup days.

## F. College Visitation and Career Experience Absences

Students will be permitted three (3) college visitation days per year. All college visits and orientations must be pre approved by the Attendance Office in order to be excused absences from school. Only students having a scheduled tour/meeting/job shadowing, verified by the university or business in advance will be eligible for a prearranged excused visit.

In order to have an excused absence for a college visit or career shadow, a note from the institution on official paper (including the date/time of the visit), must be presented upon return to WHS.

The college visit request must be made at least three (3) school days prior to the planned visit. Upon receipt of a note requesting a college visitation from the parent, the student will receive a college visitation pre arranged absence form from the attendance office. Absences for college visits where the prearranged approval process was not followed will be recorded as unexcused.

Students may request one day per year for career related experiences such as job shadowing or internships. The college visitation procedures are to be followed when requesting absence for career experiences (see above).

## G. Make-Up Work for Absences

It is the responsibility of the student to request their assignments before, during, or immediately upon return when absent. The minimum number of days to be given for make-up work is to be equal to the number of school days the student was excused absent. A teacher may allow more than this if it is deemed necessary.

Students and teachers should make specific plans for all make-up work following absences in order to avoid misunderstandings or misinterpretations of the section.

## H. Tardiness to School

Students who report to school after 8:05 a.m. will be considered tardy to school. Students who have the Late Arrival Option will be considered tardy if they have not arrived to their first scheduled class on time.

The bell rings at 8:05 a.m. and students should be in their first period classroom by that time. Tardiness to school will be calculated on a quarterly basis. Tardies due to personal or family illness or emergency will be excused if a note is sent or a phone call made.

*NOTE: Failure to comply with being in school by 8:05 a.m. will result in the following disciplinary consequences being issued for tardiness to school each quarter or grading period:*

Tardy Policy and disciplinary consequences - tardies to school will be calculated on a nine-week basis.

- 1-3 warning
- 4-5 one after school detention
- 6-7 Saturday school
- 8+ referral to administrator for further consequences.

*NOTE: Any student refusing to serve the consequence assigned or failing to appear in detention will meet with an administrator and have an additional consequence issued which may include any consequence or a combination of consequences.*

## I. Tardiness to Class

Tardiness to class is defined by the student not being in the designated area as defined by the teacher/staff when the tardy bell rings. Students are expected to be at each class on time. If students are detained by a teacher or the office, a pass must be issued to admit the students to enter class without being considered tardy.

*NOTE: Failure to comply to being in the assigned area when the tardy bell rings will result in the following disciplinary consequences, all teachers will follow the established plan listed below:*

Tardies are accumulated by quarter.

- 1st and 2nd tardy to class: verbal warning by teacher/staff.
- 3rd & 4th tardy to class: teacher detentions issued AND will contact the parent and guardian.

- All tardiness after 5: referral to administration

Periodic hall sweeps may be conducted by the staff and administration to address students who are in the halls without permission. Automatic consequences will be assigned for students caught in the hall sweep.

## J. Cutting Class

If a student is more than 5 minutes late to class, they are considered skipping class and will be assigned an appropriate consequence.

## K. Partial Day Absence

All partial day absences are reported in hours and students must meet attendance hour requirements. Students are to be in school for 4 consecutive periods of the school day in order to participate in that evening's extracurricular activity.

## L. Signing In and Out of School

*NOTE: This section applies to all students, including students who are 18 years of age or older.*

- A note from the guardian or parent must be presented to the attendance office before school begins on the day of the appointment.
- The note should contain the name of the student, date, destination, time of return, signature of the parent/guardian, if applicable-the name of the doctor and the doctor's office telephone number, or other appropriate information for any type of appointment.
- The student will be given a release slip to show their classroom teacher. At the time of the dismissal the student must then report to the attendance office to SIGN OUT from school. Any student not transporting themselves MUST have a parent/guardian pick their student up in the office.
- Students returning to school following a scheduled appointment must SIGN IN at the attendance office immediately upon their arrival back to school. A pass will be issued for admittance to class. Failure to follow proper procedures may result in disciplinary action.

## M. Special Notation About Appointments

All students must present to the attendance office a note from the doctor, dentist, or from a court appearance upon returning to school to receive an excused absence for the time they were not in school. Failure to do so will result in an unexcused absence. The note must be turned in within one week of the absence.

Release for hair appointments, job interviewing, driving exams, child care and most other outside activities, are not excused under Ohio school law and will not be permitted.

Appointments of a sensitive or personal nature should be handled by calling administration to make the necessary arrangements.

## N. Late Entry/Early Release Option

This option is a privilege for **eligible students** only. Students must remain in good standing in the following areas: academic, attendance, tardies, and behaviors to maintain this option. **A parental consent form must be on file with the school for students to participate in the late entry/early release option.** An administrator can revoke this option at any time.

Late Entry is for **eligible students** who have a study hall first period. Early Release is for **eligible students** who have a study hall 7th period. A student cannot have both. Some students may not be able to fit either option into their schedule due to class requests. **Eligible students** are not required or entitled to this option. All **eligible students** must maintain six classes on their schedule unless assigned to a special program. All eligible students are required to sign in or sign out depending upon what option they have.

## DISCIPLINE INFORMATION (BOE Policies: 3217, 5136, 5500, 5511, 5515, 5516, 5517, 5600, 5610, 5611, 5850, 7440)

### A. Student Code of Conduct

It is necessary in all well-organized communities for certain policies and procedures to be followed by everyone. Since our school is a rather large and closely knit community, it is especially important that everyone be aware of what is expected of him or her as a member. The following policies and procedures pertain to the entire building and grounds, all classrooms and hallways, school provided transportation, established bus stops, and extracurricular events. It must be understood that rules apply to any and all school activities. In addition, classroom teachers, monitors, aides and other staff will have specific rules and regulations that they will enforce.

### B. Assembly Procedures

- School-wide assemblies will be scheduled periodically for both curricular and co-curricular activities. Students' responsibilities during assemblies are as follows:
- All students must attend unless their absence has been approved by administration.
- Students will sit in their appropriate assigned area if requested.
- Courteous and respectful behavior is expected at all times.
- Students whose religious or cultural beliefs prohibit them from attending assemblies may get advanced permission from a principal to go to an alternate supervised area.

### C. Breakfast/Lunch Guidelines

- All food/beverages must be consumed in the cafeteria area. Food/beverages may not be taken outside. Students must be seated at tables and remain seated until the bell rings ending the lunch period. The classroom areas and hallways of the building are off limits for students during lunch periods.
- With administrative permission, food may be consumed in the academic area or designated classrooms, or special areas such as the PAC, LGIR, and/or Library.
- Food must be packed and brought from home or purchased in the high school cafeteria. Outside food is not permitted to be delivered during the lunch period.
- NO cutting in line or saving places for other students. Students are to clean up their table when they have finished eating. All trash and food items must be properly disposed of and trays, dishes and utensils returned to the appropriate areas.
- Throwing of any items is strictly prohibited.
- No outside guest will be permitted in the commons during lunch.
- Students are not to leave the school building during lunch periods due to a closed lunch policy.

*NOTE: Violations of the breakfast/lunch guidelines may result in disciplinary action.*

## D. Bus Safety and Rules

The Board of Education requires that student safety and welfare be ensured during the time students are being bused to school. The Board holds that busing is a privilege, not a right, which may be removed from any student who violates the rules of the District, or who conducts himself/herself in a manner which is considered dangerous to persons or property or a threat to the safe operation of the school bus.

The school bus driver shall be responsible for discipline of students while they are being transported to or from school. When a problem in student conduct requires stringent discipline, the driver shall report it in writing to the building principal. A student may be suspended from bus transportation by the principal for disciplinary reasons, in which case the parents are responsible for the student's transportation.

### **BUS SAFETY AND RULES**

Wooster City Schools provides bus transportation for many of its students. It is the goal of the Wooster Board of Education to provide transportation to and from school in a safe and efficient manner. For the safety of all, the following behaviors are expected of students:

*Prior to loading (on the road and at school) each student shall:*

- Be on time at the designated loading zone 5-10 minutes prior to scheduled time.
- Stay off the road at all times while walking to and waiting for the bus
- Line up single file off the roadway to enter
- Wait until the bus is completely stopped before moving forward
- Refrain from crossing a highway until the bus driver signals it is safe
- Go immediately to a seat and be seated.

*During the trip each student shall:*

- Obey the instructions of the driver
- Go directly to his/her assigned seat
- Observe classroom conduct
- Do not eat, drink or chew gum
- No profanity
- No use of any type of tobacco products
- Keep head, hands and feet inside the bus
- Do not shout or throw objects out the windows
- Keep the aisles clear and the bus clean

*Leaving the bus each student shall:*

- Remain seated until the bus has stopped
- Cross the road, when necessary, at least 10 feet in front of the bus, but only after the driver signals that it is safe
- Be alert to a possible danger signal from the driver
- Students are to enter school immediately upon arrival

The driver is not to discharge students at places other than their regular stop or home or at school unless she/he has proper authorization from school officials.

A student who becomes a discipline problem on the bus shall be subject to the appropriate consequences which may include among others: parent contacts, referral to the principal, detention, alternative room placement, and temporary or permanent suspension of riding privileges.

Very serious problems, such as fighting on the bus, disrespect, or refusal to listen to the driver may result in the dispatching of the Wooster City Police and bus suspension, even for a first offense.

If a student is suspended from the bus his/her parent(s) shall be required to furnish transportation to and from school during the entire period of suspension. Parents' cooperation in working with the schools will help create a safe and pleasant bus riding experience for the students.

VIDEOTAPES ON SCHOOL BUSES - The Board of Education has authorized the installation of video cameras on school buses for purposes of monitoring student behavior. If a student is reported to have misbehaved on a bus and his/her actions were recorded on a videotape, the tape will be submitted to the administration and may be used as evidence of the misbehavior.

## E. School Sponsored Dances

Students' guests must be currently attending another high school or at most age 20 and must provide proof of picture identification for admission to the dance. Students' guests must be registered with the school using the approved form. No one younger than 9th grade will be permitted to HS dances. Any 8th grade dances held will be open only to WHS 8th graders. Students and guests attending WHS sponsored dances are subject to being screened for alcohol use/abuse. In addition, students entering the dance are subject to search and seizure policies. The Administration has the right to deny student attendance at dances based upon disciplinary issues and attendance.

- The regular high dances shall begin no later than 8pm and end at 11pm.
- Each dance must be sponsored by a school organization, and the advisor of the group sponsoring the dance shall make arrangements and be present to take care of the admissions, decorations, and chaperones.
- All forms for chaperones must be completed and turned in to the principal's office two weeks prior to the dance. If a sufficient number of chaperones cannot be found, the dance will be canceled (minimum of twelve for each of the three formal dances).
- The doors will be closed to admission at 9:00pm. Dance attendees may leave the dance at any time, must sign out, and will not be readmitted.
- During dances, all school rules apply. Students are expected to follow the directions of all adults in attendance. Anyone violating these rules in the code of conduct will be removed from the dance, may be subject to further disciplinary action, and will not be given a refund.
- Dancing while on someone's shoulders is prohibited. Additionally, "moshing" and "grinding" and similar styles of dancing that encourage pushing, throwing, and unacceptable contact are not permissible, including provocative dancing.
- Students' behavior should not endanger or bother other students.

### **Dance Dress Code:**

*At Prom, suits or tuxes are requested. For Homecoming and Winter Formal, please follow the school dress code as the minimum requirements. Undergarments should not be visible. All dances are semi formal or formal.*

## F. Dress Code

The Wooster City Schools Board of Education recognizes the rights of a student with regard to expression and to regulate his or her appearance within the bounds and standards of common decency and modesty. Therefore, regulations covering student dress and expression including, but not limited to, hair, clothing, physical gestures, written materials, and other symbols and expressions shall be aimed at minimizing and/or preventing those situations that negatively impacts the learning environment.

Dress, grooming, and hygiene are items that need to be addressed by the parent/guardian and student every day BEFORE arriving at school. Any item listed or addressed that does not meet our school dress policy, or that disrupts the education process, or constitutes a threat to the safety and health of the student or other students is in violation of the Ohio Revised Code. Any type of gang related items of any kind will be strictly prohibited, and the authorities of such. Costumes are prohibited. All clothing with hateful rhetoric, speech or symbols is prohibited.

**The administration reserves the right to judge what is acceptable or not acceptable.**

When students arrive at school, staff will attempt to address immediately any student not dressed in an acceptable manner. To address the issue, we have several options:

1. We will call the parent/guardian to notify and ask that the parent/guardian deliver a change of clothing. Until the clothing arrives the student will sit in a designated area.
2. We will provide alternative clothing to wear if the student cooperates with us.

**RULE OF THUMB - IF A STUDENT IS UNSURE ABOUT WHETHER OR NOT THE ITEM(S) BEING WORN ARE ACCEPTABLE OR NOT, THEN THEY SHOULD NOT WEAR THAT ITEM.**

- Students are not to wear clothing that represents or implies alcohol, tobacco, drugs, weapons or inappropriate/vulgar language or design.
- Students are not to wear clothing that promotes hateful, intimidating or violent words or images.
- Students are not permitted to wear hats, caps, head coverings, hoods, bandannas, make-up that covers features of the face or disguises the identity, or sunglasses inside the school building between the time the student arrives until 3:00 pm, nor at any educational assembly or program.
- Students are to dress so that undergarments are not exposed.
- Student attire must not show excessive skin. (Tops/bottoms must overlap or be tucked in and must be worn in the bounds of common decency and modesty.)
- Undergarments and excessive skin will be covered.
- No article of clothing shall be worn that distracts from the educational process.
- Shoes are required at all times. (Slippers and cleated shoes are not considered appropriate school attire.)
- Chains and jewelry that can be harmful to other students are not acceptable attire.
- Students are not permitted to use airpods or other types of headphones at any time without permission from a staff member or administrator.

#### **ATHLETIC/ACTIVITY CODE OF DRESS**

Students participating in athletics or activities may wear athletic attire as approved by the director of athletics and administration. The Athletic/Activity Code of Conduct Handbook addresses the parameters and limitations of "Game Day" approved apparel. Students are expected to follow the head coach or activity director's guidelines prior to wearing any kind of apparel that signifies their membership to a specific group or team. In all instances, the school dress policy will be enforced. Uniform tops or team t-shirts may be worn.

## **G. Personal Communication Devices**

Wooster High School is committed to helping students learn to utilize their personal electronic devices effectively and responsibly. In order to accommodate 21st Century technology, allow parents/guardians an opportunity to contact their children during the school day, and teach students responsible use of PCD'S, our PCD guidelines allow students to use their devices in the cafeteria/commons and hallways. Teachers also have the option to allow students to use their devices in class for academic purposes.

Students may not use their PCD'S in any way that violates school policies, including bullying, intimidation, inappropriate photos/games, or cheating (texting, recording, or photographing academic material).

Students using photo devices to record events that are disruptive or violate BOE policies and guidelines and school rules are subject to discipline and device confiscation. In addition, the student may face consequences, whether the action took place on school property or the result of the action created a disruption on school property. Cyber-bullying in the form of text, picture, e-mail, or internet/social media (Facebook, Twitter, etc.) will not be tolerated. The school will discipline these acts when it can be determined that the harm or disruption occurred with a student.

PCD'S are to be used in the commons, hallways, classroom (w/ teacher permission), study hall (w/ teacher permission), and library (w/ teacher permission). Misuse of these devices may result in disciplinary consequences, including confiscation of the device. Consequences are as follows:

- 1st offense of PCD misuse – teacher/administrative warning to put the device away
- 2nd/3rd offense of misuse – student instructed to put device away, student issued an after school detention by the teacher
- 4th and following offense of misuse – student instructed to put device away, discipline referral created by the staff member for administrative intervention

*NOTE: Teachers may confiscate devices and hold them to the end of the period for any violation of the personal communication device policy or the teacher's expectation of device use for their classroom.*

Any act of insubordination involving a PCD will result in discipline referral, possible device confiscation, and disciplinary consequences.

Wooster High School is NOT responsible for any item stolen, broken, or damaged. Investigations will not be conducted by administration. Students are responsible for their own personal communication devices.

Students are not permitted to listen to music in the hallways or in any academic area, unless provided permission from the teacher. Additionally, all headphones and ear buds are not permitted to be worn during the school day (unless permission has been granted). Wearing them and failure to comply with directions to put away may lead to confiscation and/or disciplinary consequences.

## H. Book Bags, All Large Bags, Oversized Purses

Book bags, shoulder bags or any type of large bags and oversized purses used for personal or school property will not be permitted to be carried during the school day and must be stored in the student's assigned locker. Purses/bags should be large enough to carry necessary personal items and not used as a book bag.

The administration reserves the right to search the student, locker, bags, coats or any person and possessions who enters Wooster High School at any time, while representing Wooster High School at any site off of school grounds, or while on Wooster City Schools' transportation. Students and parents should check their book bags, large bags, purses, or persons for such items before arriving at school.

## I. Hall Conduct

Students are expected to conduct themselves in an orderly fashion in the halls before school, after school, and during class changes. It is expected that all students comply with the following rules:

- Students running, horse-playing, shoving, yelling, using inappropriate language and gestures, and loitering may result in disciplinary action.

- Food and/or beverages should only be consumed in the commons unless special permission is granted from administration.
- Students must secure a hall pass from the staff member giving permission to be in the halls during class time.
- Students should report to class/study hall to receive permission before reporting to the office and/or clinic.
- Students are not permitted to have headphones or earbuds on/in their ears while in the hallways.

## J. Loitering

- All students can enter the academic areas of the building at approx. 7:55 a.m.
- Students can arrive at WHS starting at 7:40 a.m., but must remain in the Commons, unless arrangements have been made with a staff member.
- Breakfast will be available between 7:40 and 8:00am.
- A pass should be issued for the student to enter the academic area before 7:40 a.m.
- Students are expected to move directly to their next class period/lunch without delay.
- Students are not permitted to loiter on school grounds or in the school hallways.

*Note: Driving to school is a privilege, not a right.*

- Student parking is permitted only in the designated area of the west parking lot on a first come, first served basis.
- Senior citizens, Student(s) of the Month, and faculty parking spaces are to be reserved for their designated purposes.

## L. Academic Integrity

Academic dishonesty demonstrates a lack of character that is inconsistent with the goals of the Wooster City School District.

Definition of Academic Integrity: All work that is prepared for evaluation by teachers (i.e., homework, quizzes, take-home exams, in class examinations, presentations, papers, etc.) falls under academic integrity. Students are required to submit such work for evaluation for various reasons:

- To help the students develop and express concepts, knowledge, and skills
- To inspire creative thinking and work
- To provide the teacher with feedback revealing whether or not students grasp the material presented
- To provide a record of the student's progress
- To promote the learning of new material and to reinforce old material

Wooster High School students are expected to have high academic standards at all times, with emphasis on the need for attributing credit and for doing independent work when required/expected by the teacher. A violation of academic integrity may impact a student's selection for scholarships, leadership positions, membership in organizations such as National Honor Society, or any other situation in which character is a part of the selection process. Violations will be recorded, and there will be more serious consequences for repeat offenders.

All work submitted to meet course requirements is expected to be a student's own work. In the preparation of work submitted to meet course requirements, students should always take great care to distinguish their own ideas and knowledge from information taken from sources. Whenever ideas or facts are taken from a student's reading and research, the sources must be indicated. The term "sources" includes not only published primary and secondary material but also information and opinions gained directly from other people. The responsibility for using the proper forms of citation lies with the individual student.

Quotations must be placed within quotation marks, and the source must be credited. All paraphrased material also must be correctly cited.

The extent to which working with others is permitted in the completion of assignments can vary, depending upon the policy set by the teacher. Students must assume that working with others in the completion of assignments and tests is not allowed unless specifically stated by the teacher.

A paper or other work normally is submitted to only one course. If the same or similar work is then submitted to any other course, the prior written permission of the teachers involved must be obtained.

Cheating and plagiarism are forms of Academic Dishonesty, which are defined as follows:

**1. *Intentional Plagiarism*** occurs when writers or researchers are aware that they are using someone else's words or ideas as their own. Some specific examples of intentional plagiarism include but are not limited to the following:

- Using pre-written papers from the Internet or other sources and claiming them as your own.
- Copying an essay or article from the Internet, on-line source, or electronic database without quoting or giving credit, regardless of the language.
- Cutting and pasting text or graphics to create a paper/project without quoting or giving credit.
- Borrowing words or ideas from other students or sources without giving credit.
- Allowing someone else to complete any part of an assignment given to an individual.
- Presenting a technology-based foreign language translation as one's own work.

**2. *Unintentional Plagiarism*** occurs when writers or researchers unwittingly use the words or ideas of others by failing to give credit to the source. When in doubt, students must check with their teacher. Some specific examples of unintentional plagiarism include but are not limited to the following:

- Paraphrasing poorly: changing a few words rather than taking notes and rewriting the material.
- Quoting poorly: putting quotation marks around part of a quotation but not around all of it or putting quotation marks around a passage that is partly paraphrased and partly quoted.
- Citing poorly: omitting an occasional in-text citation or citing inaccurately.

**3. *Cheating*** is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means. Cheating in Wooster City Schools includes but is not limited to the following:

- Copying, in part or in whole, from another's test or other evaluation instrument.
- Submitting work previously presented in another course, without the written permission of both teachers.

- Using or consulting during an examination sources or materials not authorized by the teacher (for example, saving examination information on a calculator).
- Altering or interfering with grading.
- Sitting for an examination for someone else or allowing it to happen.
- Stealing a test, quiz, etc.
- Committing any other act in the course of his or her academic work, which defrauds or misrepresents, including contributing to or sharing in any of the actions defined above.

**4. Homework Copying** occurs when students misrepresent their own work by copying from another student. In cases of homework copying, both the student who copies the homework and the student who allowed his or her work to be copied will be considered guilty.

#### **Consequences for Violating Policy**

- 1st offense - Students will be able to redo the assignment for partial credit and the teacher notifies the parent and administrator.
- 2nd offense-"F" on test or assignment and teacher notifies the parent and administrator.
- 3rd offense-referral to the office for disciplinary action at the discretion of the administrator

*NOTE: Any form of cheating may lead to removal from leadership positions and/or membership in the National Honor Society.*

## M. Surveillance Cameras

PLEASE BE ADVISED: All persons are duly informed that their behavior and movement may be monitored on school property and/or adjacent property by security cameras for purposes of safety of person, personal property, and Board of Education property.

The Board of Education has a "zero tolerance" for violent, disruptive or inappropriate behavior by its students and such behavior is prohibited as set forth in the Student Code of conduct. The Board also has a "zero tolerance" for excessive truancy, and truancy from school, classes or study hall will result in disciplinary action as set forth in the Board's Student Attendance Regulation.

Misconduct will be categorized into minor or major offenses.

Minor Offenses are handled by teachers.

Consequences for minor offenses may result in the following:

**HEARING:** Should the student deny the charges, she/he will be given an explanation of the evidence which the administration has to support the charges; and the student will also be given the opportunity to present the student's side of the story. This will constitute the informal hearing requirement

**APPEAL:** An appeal may be addressed to the Superintendent. No suspension shall be for more than ten school days. An appeal will not disrupt or cease the disciplinary action administered.

This policy, like others of the Wooster Board of Education, is applicable to all approved school activities regardless of whether they fall within the regular school day or not.

Description:

- Scale is set to round up any 0.5 or higher percentage
- Percentage grade for each grading period is translated into a Letter Grade and Point Value
- The final grade is based on the average of the point value received for each grading period - not the average percentage grade received each grading period

For courses with end of course exams, grading period point values are 90% and exams are 10% of the final grade

## B. ProgressBook

Students and parents will have access to online grading and attendance through ProgressBook. Entry pass codes will be provided. The guidance office secretary can assist with any ProgressBook concerns. The Guidance Secretary can be reached at 330/988.111, ext 3400.

## C. Academic Progress

Class rank is determined by the final cumulative grade point average as directed by BOE Policy 5430.

## D. Academic Recognition

Honor/Merit Rolls: Students must be taking a minimum of three courses at Wooster High School to be considered for honor distinctions.

Distinguished Scholar Roll: Students having a 4.0 grade point average for the grading period.

Honor Roll: Students having a 3.500-3.999 grade point average for the grading period.

Merit Roll: Students having a 3.000-3.499 grade point average for the grading period.

Honor Cords: Graduation Honor Cords are given for the top 30% of the class (This honor is determined with cumulative GPAs after 8 semesters of high school at the end of the senior year.)

Top 10%	Summa Cum Laude
Top 20%	Magna Cum Laude
Top 30%	Cum Laude

Academic Letters: All students in grades 9 through 12 will have an opportunity to earn an academic letter each school year recognizing their academic achievement. Senior students will be given their award at the Senior Scholarship night.

Student's grades during the previous academic year will be used to determine eligibility for an academic letter. Students earning a 3.5 GPA at the end of the previous year (the yearly GPA is calculated by adding the number of quality points earned for year and dividing it by the number of credits attempted, not the cumulative GPA) will be awarded. The academic certificate/letter awards will include the following:

- First year -- academic letter and honor pin
- Second year -- honor pin
- Third year -- honor pin
- Fourth year -- honor pin

**National Honor Society Selection:**

Membership in the National Honor Society is reserved for WHS juniors and seniors who meet the standards of membership as determined by the National Honor Society's national governing body. High standards of scholarship, character, leadership and service are the four criteria for membership. Initial eligibility for membership is a 3.6 cumulative GPA and qualified juniors and seniors will be notified of their eligibility. If they choose, they can then complete the selection process. The NHS Faculty Council then selects new members based on faculty and applicant input during the Fall of the school year. NHS membership is both an honor and a commitment and members are held accountable for maintaining high standards. A student may be dismissed from NHS membership for failure to maintain these high standards. Further information about the selection or dismissal process is available from the principal or the NHS advisor upon request.

Valedictorian and Salutatorian eligibility will be determined with a two-tiered system by identifying the graduate with the highest composite ACT score in the Summa Cum Laude classification. If there is a tie with the highest ACT score, the student with the highest weighted cumulative GPA will be awarded Valedictorian and the student with the second highest weighted cumulative GPA will be awarded Salutatorian. The last ACT score to be considered for Valedictorian and Salutatorian is the December immediately preceding graduation. Students must be enrolled at WHS for a minimum of two (2) semesters to be eligible for Valedictorian and Salutatorian honors.

Commencement Ceremony: Per Board of Education Policy 5460, only those students who have met all graduation criteria to include required credits and State of Ohio mandated testing may participate in the Commencement ceremony. Furthermore, those students who violate school/civil/criminal rules at the end of the school year may be denied the privilege of participating in the Commencement ceremony and awards programs. But, they will not be denied, however, the awards/diploma that they have earned. Eligible senior candidates for graduation must attend graduation rehearsal on the designated date. Failure to attend may result in not participating in Commencement.

## E. Special Education

Special Educational programs such as remedial reading, speech and language therapy, developmentally and multiple handicapped programs, learning disabilities tutoring and class placement, psychological services, and counseling services are coordinated throughout the district by the Office of Pupil Services. Criteria for the utilization of these services are dictated by State of Ohio policies and procedures. In all cases, an intervention process followed by a screening and/ or evaluation process is required before a child may be considered for special educational program services. By the same token, parent permission is required for school officials to proceed with an evaluation or for school officials to recommend placement in these programs. Because procedures must be followed, it may take an extended period of time before special educational services may be recommended to a child. Should parents have any questions regarding special educational services, they may contact the building principal or the Office of Pupil Services, 330-988-1111, ext. 1229.

## F. Response to Intervention (RTI)

Each building in Wooster City Schools has a Response to Intervention program. Teams are convened as necessary with teachers and other staff who are working with a particular student. The purpose of the team is to assist teachers with intervention strategies that will help the student succeed by meeting the individual needs of the student. Parents will be asked to be a part of the team. The focus of the RTI is to improve the student's achievement and/or behavior in the classroom. RTIs work to find remedies for student's problems instead of or prior to referring a student for a multi-factored evaluation for a suspected disability..

## G. Weighted Grades

Wooster High School grading system will use a weighted grading scale in which IB/AP/CCP classes will be awarded one (1) additional point (excluding an F).

The weighted grade point average will be reported on the student's transcript. Only classes that are reported on the student's high school transcript will count toward their cumulative GPA.

CCP classes/college coursework through approved credit flex will be awarded extra weight based upon the university's transcribed grade that is reflected on the student's high school transcript.

Classes that are Pass/Fail or Satisfactory/Unsatisfactory will not carry extra weight regardless of level of class.

## H. Auditing a Course

Students who have completed a course may opt to change the grade to an audit (with no credit and no grade) and retake the course. Students must meet specific requirements in order to be given the opportunity to audit a course that are detailed in the Audit Option Contract. Students should see their guidance counselor for more information. Only **one** course may be audited during a student's time at Wooster High School (grades 7-12).

Applications for many scholarships are available in the Guidance Office. Please see your guidance counselor for all details regarding financial aid and scholarships.

## L. Transcript Requests

A transcript is an official legal record of a student's courses, grades, attendance, and test scores. Transcripts are mailed by the school to colleges, employers, scholarship committees, etc. ONLY when the following procedure is followed:

- Pick up a transcript release form from the guidance secretary or guidance counselor.
- Complete the transcript release form including the address where the transcript is to be mailed and parent’s signature if the student is not yet 18 years of age.
- Return the transcript release form to the counselor or guidance secretary at least one week prior to the date it must be received by the college or other agency. Same day requests are not possible.

## M. Schedule Changes

All requests for schedule changes will be governed by the following guidelines for the current school year.

- Students will receive a copy of their schedule for verification in mid-May. Students will have until June 1 for a “change of mind” schedule change. Review both first and second semesters. After June 1, only the following changes will be allowed during the first ten (10) days of school and the first five (5) days of second semester.
  - a. Upgrading your schedule--adding a class in place of study hall
  - b. Dropping a class because the student has no study hall
  - c. Level change--teacher recommendation only, i.e., Honors Geometry to Geometry or a foreign language level adjustment.
  - d. A sound educational reason as evaluated by the guidance counselor and/or building administrator. The following scheduling procedures also apply:
    - A full time student, according to Board of Education policy 5460, is required to take six courses per quarter whether or not those credits are needed for graduation.
    - Students will receive a “WF” on their transcript for courses dropped after the posted deadlines. Students will not be permitted to change to a different teacher for the same course without the consent of the principal.
    - Year-long courses will not be split to accommodate schedule changes or course requests.
    - The Wooster City Schools will accept credit from other public and private high schools. These transcripts, along with those from parochial, military academies, schools abroad and other special schools will be evaluated with the right of the administration to deny credit for courses which fall outside the bounds of general public school education.

Students must submit this letter of intent one year prior to their anticipated graduation date.

## O. Educational Options
