Here Comes The Bus®: A School Bus Tracking App for Parents

Parents in the Wooster City School District can now download the Here Comes The Bus app for **FREE** in the Apple App Store or Google Play Store.

The tracking feature:

- ✓ Students swipe an ID badge when they board and exit the bus, which provides up-to-the-minute reporting on where a student is while riding the bus
- ✓ Shows the real-time location of your child's bus to anticipate any potential delays in pick-up or drop-off times
- ✓ Receive pick up and drop off notifications via the app and/or email
