

SUMMER FOOD DISTRIBUTION

Starting May 28, the USDA has granted permission to summer food service operators to continue food distribution, similar to our COVID-19 food deliveries, until August 7, 2020. Breakfast and lunch will be delivered following the schedule.

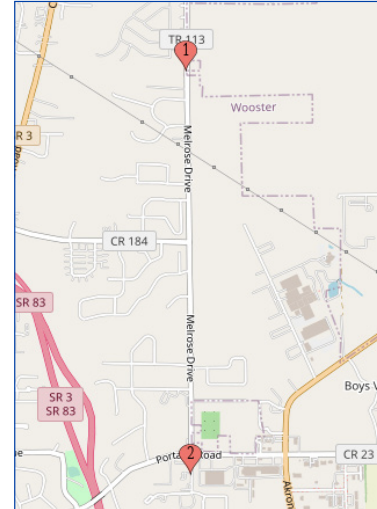

The district will have **4 routes** that will be stopping at **10 different locations** throughout Wooster. Vans or Cars will stop and stay at each location for 10 minutes to ensure that all students receive meals.

Since we only have 4 routes, please look carefully at the delivery times, our drivers will be on a strict time schedule.
