

# Volunteer Recruitment

If you are interested in volunteering within the Wooster City School District in any capacity, please go to the Wooster City School District website at [www.woostercityschools.org](http://www.woostercityschools.org). **Click on District** and then **Volunteers** to begin the screening process!

Once approved, you will receive a volunteer badge in the mail and be added to the volunteer list! It's that simple!

***You can make a difference!***

You must be over 18 to volunteer. Retirees welcome!
