The Wooster City School District's curriculum development and resources plan for assessing, selecting, and implementing modern, research-based instructional material and equipment will ensure our students receive a world-class academic education.

Through this acquisition process, students will be provided with the knowledge, skills and behaviors necessary to successfully compete amid the rigors of our ever changing global systems.
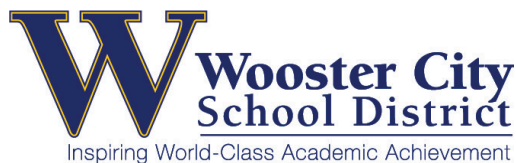

Use the chart on the inside of this brochure to follow along as the curriculum is:

1. **Researched**
2. **Piloted**
3. **Implemented**
4. **Monitored**
5. **Continually Monitored with On-Going Development**

Read the chart from left to right and down

2015-2016:	9-12 **Computer Technology** **WHS Fine Arts Academy** - Stage II Research COS Development	
2016-2017:		9-12: **Computer Technology** **WHS Fine Arts Academy** - Stage II

Curriculum Programs/Materials shown in 2nd year or later were Researched and/or Piloted in previous years.

Wooster City School District
Action Plan Goals:

I. Implement Ohio's New Learning Standards with fidelity and ensure high levels of student engagement.

II. Respond to formative and summative assessment data by informing and adjusting rigorous instructional practices.

III. Apply the structures and protocols of the Ohio Improvement Process, including the 5-Step Process, to support student growth.

Wooster City School District
Mission Statement:

**Provide the opportunities and encouragement for all learners to realize their potential**
