

POOL PRIDE CAMPAIGN

IT ALL STARTS WITH A SPLASH

2018 ELLEN SHAPIRO NATATORIUM RENOVATION PROJECT

THE PROJECT

The Ellen Shapiro Natatorium at Wooster High School not only serves the high school swim program, but the YMCA, College of Wooster and the entire Wooster community. The Natatorium is truly a community facility that offers year-round recreational, instructional and competitive swimming, as well as safety and rescue trainings and certifications.

The Natatorium is now 25 years old and is beginning to show its age. It's one of the grandest natatoriums in Ohio, measuring 50 meters by 25 yards.

The goal of the fundraising campaign is to restore the facility to its original pristine condition for the future enjoyment of our entire community.

THE PLAN

- Extensive locker room renovations
- Draining and painting the pool
- Energy efficient Luminaire lighting
- Installation of a surround sound system
- Window and door replacements
- Making the Natatorium more energy efficient
- Improved ventilation
- Improve handicap accessibility
